We Are Regency

RGS first began importing commercial office furniture in the mid 1990’s to sell direct through the Akron OH retail store Summervilles’ Inc.

As members of the office furniture industry caught wind of the quality and price of the import product, they began asking to purchase furniture on a wholesale basis for sale in their own retail stores. This is the birth of the brand Regency / RGS and the wholesale/distribution operation. RGS landed its first major catalog customer, Quill (now a division of Staples) in 2002 and entered the e-commerce retail space in 2005 with Everything2Go.com. Expansion in e-commerce happened quickly, adding Wayfair (then CSN stores) in 2007, Staples.com in 2008, and Amazon.com in 2011.

Today, RGS is a leading force in online commercial furniture distribution, with plans to exploit its strong customer relationships to propel growth in the residential and resimercial furniture categories. We produce a wide array of furniture and interior design, with a focus in Training Room, Breakroom, Conference, Case Goods, and Seating.

Terms of Sale

Accounts will be offered terms of Net 20 days with established satisfactory credit. All other orders require payment in advance by check or credit card (Visa or Mastercard only). Past due accounts are subject to a finance charge of 1.5% per month. Accounts with a past due balance or unpaid finance charges must clear this balance prior to any new orders or warranty claims being accepted.

Shipping Information

TITLE OF GOODS passes to purchaser and our responsibility ceases when shipment is accepted by any carrier from one of our Distribution Centers. All products are shipped by FedEx Ground or Common Carrier, freight prepaid dock-to-dock, unless otherwise specified on your purchase order. Any incidental charges – including but not limited to inside delivery, liftgate, residential, reconsignment – will be charged back.

Upon Receiving Your Shipment

Upon receiving your shipment and before signing for it, count the cartons to ensure all products have been received and visually inspect all packages for signs of damage in transit. Should there be any shortage or signs of possible damage, note all findings on the driver's paperwork. Keep your copy of the paperwork.

If damage is discovered, either visibly on the carton or concealed, retain all product and packaging for inspection by the freight carrier. Contact the freight carrier immediately, and in no more than 15 days from the date of delivery to make a report and submit a claim. The freight carrier will then provide you with the procedure. In the meantime, contact Regency to order any replacement parts or product.

Returns

All product returns will result in a merchandise credit. Returned merchandise will not be accepted if sent freight collect or without prior written authorization. Ship freight prepaid in original carton. Customer will be responsible for any damage on return and the cost of re-boxing if required prior to any credits being issued.

Order Changes or Cancellations

Due to the quick ship nature of Regency Seating, Inc. Office Furniture products, we must limit customer changes and cancellations. All orders ship within 72 hours of receiving an approved order. Orders canceled or changed after shipment will be subject to a 25% restocking charge plus the return freight charges. All changes or cancellations must be in writing.
