## Upon Receiving Your Shipment

Upon receiving your shipment and before signing for it, count the cartons to ensure all products have been received and visually inspect all packages for signs of damage in transit. Should there be any shortage or signs of damage, not all findings on the driver's paperwork. Keep your copy of the paperwork. Keep your copy of the paperwork.

If damage is discovered, either visibly on the carton or concealed, retain all product and packaging for inspection by the freight carrier. Contact the freight carrier immediately, and in no more than 15 days from the date of delivery to make a report and submit a claim. The freight carrier will then provide you with the procedure. In the meantime, contact Regency Seating Inc. to order any replacement parts or product.

## Returns

All product returns will result in a merchandise credit. Returned merchandise will not be accepted if sent freight collect or without prior written authorization. Ship freight prepaid in original carton. Customer will be responsible for any damage on return and the cost of re-boxing if required prior to any credits being issued.

## Order Changes or Cancellations

Due to the quick ship nature of Regency Seating Inc. Office Furniture products, we must limit customer changes and cancellations. All orders ship within 72 hours of receiving an approved order. Orders canceled or changed after shipment will be subject to a 25% restocking charge plus the return freight charges. All changes or cancellations must be in writing.
