Experience unparalleled comfort and support with the Regency Cosmo Ergonomic Mesh High-Back Task Chair. This commercial-grade chair combines cutting-edge ergonomics with versatile adjustability, ensuring a perfect fit for your body and work style. With its breathable mesh back (19.5" x 21"), spacious seat (20" x 19"), and height range of 18-21" from the floor, the Cosmo is designed to enhance productivity and well-being throughout your workday. Backed by an impressive warranty and ANSI/BIFMA certification, this chair is the ultimate solution for those seeking both quality and comfort in their office seating.

Fully Adjustable Design

Customize your seating experience with 3D adjustable arms that move forward/backward, side-to-side, and rotate left/right, along with adjustable arm height (7-11"). The 3-paddle system allows you to fine-tune seat depth, chair height, and backrest incline for optimal positioning.

Superior Ergonomics

Stay cool and comfortable with a breathable mesh back that promotes airflow, while the contoured vinyl seat cushion with leg grooves ensures proper weight distribution. The adjustable ratchet back (0-4" height adjustment from seat) lets you achieve perfect lumbar support for improved posture.

Built To Last

Engineered for durability with a 250 lb weight capacity and backed by a comprehensive warranty (5 years on base and frame, 2 years on mechanisms and upholstery). The 5-star black base with smooth-rolling casters provides stability and easy mobility in any office environment.

Premium Features

The multi-function mechanism offers precise control over your seating position, while the commercial-grade construction ensures long-lasting performance. Whether you're working long hours or need adaptive seating for various tasks, the Cosmo delivers professional-level comfort and support.
