"Furniture That Adapts."

OMEGA

S u p p o r t

Whether you're leaning in to focus on a critical task or reclining to contemplate your next big idea, the DSS ensures your spine is always ideally positioned.

The Omega doesn't just recline; it glides. Our Fluid Motion Technology creates a seamless transition between positions, encouraging healthy movement throughout your workday. This gentle, continuous motion helps improve circulation, reduce stiffness, and keeps you energized from your morning coffee to your evening wrap-up.

Sometimes in life we all need a little support
