---

your waiting room, office, or high-traffic area with Regency's Guest and Reception Chair with Arms, a perfect blend of comfort and durability. This stylish seating solution offers a luxurious 3" padded seat and 2.5" padded back, ensuring optimal comfort for extended periods.

The chair's premium vinyl upholstery not only adds a touch of sophistication but also provides practical benefits with its stain-resistant, anti-microbial, and anti-bacterial properties. Built to last, the chair features a robust 17-gauge steel tube sled base with arms, supporting up to 400 lbs and offering easy assembly for your convenience. This chair is also made in Taiwan which makes it TAA/GSA compliant.

---

"The Victor Guest & Reception Chair sure does wow my waiting area as I've never received so many compliments on an guest chair!"

- James Russell, Regency Employee

## SUPERIOR HYGIENE

Anti-microbial and anti-bacterial vinyl upholstery promotes a cleaner, healthier environment, ideal for high-traffic areas.

## EXCEPTIONAL COMFORT

Generously padded seat (3"), back (2.5") and arms provide plush support for extended sitting periods.

## DURABLE CONSTRUCTION

17-gauge steel tube sled base ensures stability and longevity, with an impressive 400 lb. weight capacity.

## LOW MAINTENANCE

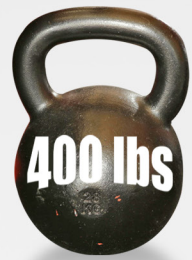

Stain-resistant vinyl is easy to clean, saving time and maintaining a professional appearance.
